## PRAYER REQUESTS

### REQUEST 1

Pray for my physical health. I have been undergoing therapy for two months for a torn rotator cuff in my left shoulder, praying to God that surgery is not necessary.

### REQUEST 2

Pray for my family, Ana Zoila and her husband Wilfredo, Global Missionaries serving in Panama. They are traveling to two islands in the Caribbean in our region where they will be training the leaders of those places alongside another missionary couple.; Oscar and his wife Sara, my grandchildren Naomi and Andrés, who serve in my local church in NDI and my youngest son Juan Carlos, who plays guitar in the ministry of praise of our church. May everyone always walk under the will and care of God.

### REQUEST 3

Pray for God to help us meet the regional goals of faith by 2030, 1 million members, 700 thousand attending Sunday school, 700 thousand attending worship services and send 1.5 million dollars to the WEF.

Pray for the regional emphasis, continue to be and make disciples in urban areas, children and young people in our Mesoamerica region.

## FUN FACT!

Did you know that our links missionary, Ana Crocker, is the sister to one of our current General Superintendant! Guess which one!

Do you know why we call our assigned district missionary our "links" missionary? Local churches are "linked" or assigned to them to care and connect with them through the calendar year!
